INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with 37 C.F.R. §§1.97 and 1.98, Applicants bring to the attention of the U.S. Patent and Trademark Office the information listed on the enclosed PTO/SB/08A and/or PTO/SB/08B forms. A copy of the information, if required, is also enclosed. Consideration of the information is requested under 37 C.F.R. § 1.56 and this information is submitted in accord with the provisions of §1.97(b): within three months of filing the national application under 37 C.F.R. §1.53(d), or entry into the national stage under 37 C.F.R. §1.491, or before the mailing of a first Office Action on the merits, or before the mailing of a first Office Action on the merits after filing a Request for Continued Examination under 37 C.F.R. §1.114.

Applicants particularly draw attention to co-pending application US 2005-0118401 A1 and its counterpart WO 2005-014280. Because of the nature of the subject patent application and those applications, applicants submit herewith the Written Opinion and International Search Report from WO 2005-014280 (PCT/US04/25664).

US 6,432,519 B1 appears to be a counterpart to JP 2003-355163 and is so listed on the International Search Report. The translation of

JP 2003-355163 received from the European Patent Office (and submitted herewith) appears to be incomplete.

US 6,099,415, 6,248,804 and 6,013,330 are counterparts to US 2002-009553 (previously submitted).

US 2005-0285920 A1 is a counterpart to WO 2004/011271.

US 2004-0234735 is a counterpart to WO 2002/18154 (PCT/US03/24116).

Applicants submit herewith the Written Opinion, International Preliminary Examination Report and International Search Report from counterpart WO 2004-011271 (PCT/US03/24116).

Applicants understand that PCT Written Opinions, International Preliminary Examination Reports and International Search Reports are usually considered by Examiner's when submitted in Information Disclosure Statements, but that Examiner's often cross them off on information disclosure statement forms SB-08B since they are not typically listed on the face of issued patents. Therefore, unless otherwise stated on the record, if these documents are crossed off on the SB-08B form applicants will assume that they have been considered.

If this Information Disclosure Statement is filed under §1.97(b) but the mailing date hereof is after the mailing of a first Office Action on the merits, the PTO is authorized to charge the fee set forth in 37 C.F.R. §1.17(p) to Deposit Account No. **04-1928** (E. I. du Pont de Nemours and Company) in order to complete the requirements for consideration of this Information Disclosure Statement.

Respectfully submitted,
